Special Risk Factors in African-Americans and Whites for Alcohol and Other Drug Use, Abuse, and Problems	v
Executive Summary	v
Sociodemographic Profile	vi
Health Status, Disability, Medical Care Utilization, and Access to Care	vi
Lifetime and Recent Tobacco, Psychoactive Prescription and Illegal Drug Use by Race	vii
Alcohol Use by Race	viii
Polydrug Use, Addiction Experience and AOD-Related Problems	viii
Other Variables Considered by Race	ix
AOD Treatment Received	ix
Need for AOD Treatment	x
All Other Things Being Equal	xi
Summary and Recommendations	xii
Special Risk Factors in Females and Males for Alcohol and Other Drug Use, Abuse, and	xvi
Executive Summary	xvi
Sociodemographic Profile	xvii
Health Status, Disability, Medical Care Utilization, and Access to Care by Gender	xvii
Lifetime and Recent Tobacco, Psychoactive Prescription and Illegal Drug Use by Gender	xviii
Alcohol Use by Gender	xviii
Polydrug Use, Addiction Experience and AOD-Related Problems	xix
Other Variables Considered by Gender	xix

AOD Treatment Received	xx
Need for AOD Treatment	xx
All Other Things Being Equal	xxi
Conclusions and Recommendations	xxii
Special Risk Factors in African-Americans and Whites for Alcohol and Other Drug Use, Abuse, and Problems	1
Introduction	1
I. African-Americans and Whites Compared	2
II. Health Status, Disability, Medical Care Utilization, and Access to Care	4
III. Lifetime and Recent Tobacco, Psychoactive Prescription and Illegal Drug Use by Race	8
IV. Alcohol Use by Race	11
V. Polydrug Use, Addiction Experience and AOD-Related Problems	13
VI. Other Variables Considered by Race	15
VII. AOD Treatment Received	18
VIII. Need for AOD Treatment	20
VIV. All Other Things Being Equal	22
Summary and Recommendations	23
AOD Use, Abuse, Problems, and Treatment Variables by Race and Sex	26
Special Risk Factors in Females and Males for Alcohol and Other Drug Use, Abuse, and Problems	31
Introduction	31
I. Females and Males Compared	32
II. Health Status, Disability, Medical Care Utilization, and Access to	

Care by Gender	34
III. Lifetime and Recent Tobacco, Psychoactive Prescription and Illegal Drug Use by Gender	40
IV. Alcohol Use by Gender	43
V. Polydrug Use, Addiction Experience and AOD-Related Problems	45
VI. Other Variables Considered by Gender	48
VII. AOD Treatment Received	55
VIII. Need for AOD Treatment	57
VIV. All Other Things Being Equal	59
Conclusions and Recommendations	61
AOD Use, Abuse, Problems, and Treatment Variables by Age and Sex	63
Overall Assessed AOD Treatment Need	65
Treatment Gap: Needing but Not Receiving AOD Treatment by Age and Sex	68
Appendix A.	69
Appendix 1.	i
Appendix 2	ii
